

Joshua Paul Colmo

Computer Science Student | Aspiring Software Engineer

0906-355-9010 | joshuapaulmedina@gmail.com | github.com/merikh2004 | linkedin.com/in/joshuacolmo

Summary

Passionate Computer Science student with a strong foundation in software development and web technologies. Proficient in multiple programming languages and frameworks, with hands-on experience in building applications and collaborating using Git/GitHub. Seeking opportunities to grow as a Software Engineer and contribute to impactful projects.

Work Experience

SPES-2024

Assisted at the local Health Center during the SPES 2024 program, performing clerical tasks, supporting staff in daily operations, and engaging with community members. Gained valuable experience in teamwork, responsibility, and effective communication.

SPES-2025

Assisted at the Management Information Systems (MIS) Office of the University of Caloocan City during the SPES 2025 program. Provided support in data management, clerical work, and technical tasks related to information systems. Developed skills in organization, attention to detail, and collaboration within an academic office setting.
