ABOUT ME

I am Kyle Vincent Madriaga, an enthusiastic and driven individual with a passion for web development. My goal is to become a proficient front-end developer, utilizing my skills to create visually appealing and user-friendly interfaces that enhance the online experience. With a foundation in HTML, CSS, and JavaScript, I am eager to contribute my talents to a dynamic team where I can continue to grow and refine my abilities in web development.

SKILLS

- Front-End Development - Proficient in HTML, CSS, and JavaScript for building responsive and visually appealing web interfaces.
- Technical Support - Skilled in assisting users with system navigation, troubleshooting, and resolving issues efficiently.

EDUCATION

University of Caloocan City

Bachelor of Science in Computer Science

2023 - Present

Caloocan High School Senior High

2021 - 2023

Bagong Barrio National High School

2017 - 2021

Morning Breeze Elementary School

2010 - 2017

EXPERIENCES

- Special Program for Employment of Students (SPES) - City Hall - Treasury Department (2023)
 - Assisted residents by providing their payment history for house and lot taxes.
 - Handled records, retrieved tax information, and ensured accurate and timely service.
- University of Caloocan City - MIS Department (2024)
 - Assisted professors and students with the university portal.
 - Supported enrollment processes for students and schedule encoding/plotting for professors using the AIMS system.
 - Provided technical support, troubleshooting, and guidance.
